

6 AUG 1970

Honorable Peter H. Dominick
United States Senate
Washington, D. C. 20510

Dear Mr. Dominick:

Many thanks for your letter of July 31, 1970, and its interesting enclosure. The author of the enclosure obviously is a keen observer and an accurate reporter, and we are very grateful for leads of this kind which we often find very useful. However, we happen to have the subjects mentioned by this fellow pretty well covered, so in this instance we have no need to follow up.

Anyhow, our thanks again, and let me know whenever you would like to get together for a briefing or to discuss any other matters.

Sincerely,

John M. Maury
Legislative Counsel
